IMPORTANT SAFEGUARDS

CAUTION: FAILURE TO FOLLOW THESE SAFEGUARDS
MAY RESULT IN FIRE OR ELECTRIC SHOCK.

1. Make sure that the unit is connected to a power source that is grounded.
2. Never touch unit, cord or plug with wet hands.
3. Protect the unit from bumps or scrapes, which may cause mechanical problems.
4. Do not use the unit if the power cord or plug is damaged in any way.
5. Make sure that the power cord is not twisted, bent or pinched.
6. To prevent possible overheating, do not block the ventilation openings at the bottom of the unit.
7. Unplug the unit during storms and when it will not be used for an extended period.
8. Do not pull on the cord when unplugging the unit.
9. Do not store or use the unit in a room with high humidity or near dust or spraying water.
10. Keep unit away from heating instruments and other heat sources.
11. Always unplug the unit before cleaning. Do not spray water directly on the unit. Avoid chemical cleaning products.
12. Keep power plug prongs free of dust and water.
13. If you detect noise or smell smoke coming from the unit, unplug immediately.
14. Do not disassemble or attempt to repair the unit.

Please contact Whip Mix with any questions or for troubleshooting advice.

Use of the equipment in any way not intended by the manufacturer compromises the safety of the equipment.

OPERATING INSTRUCTIONS

1. Plug in unit and flip the ON/OFF switch to the on position.
PL indicator light will turn on.
2. Select long or short wave (Whip Mix Heavy Duty Vibrator).
3. Set the desired vibration control.

FUNCTIONS & FEATURES

- Strong vibration, with large vibrator and wide vibration table, enables simultaneous work on many rings (Whip Mix Heavy Duty Vibrator).
- Vibration prevents bubbles.
- Ergonomic design.
- Long wave or short wave options (Whip Mix Heavy Duty Vibrator).
- Easily detachable rubber top allows for convenient cleaning of vibration table.
